A Handbook for Catholic Preaching
Ed Foley, General Editor
Foreword by Timothy Radcliffe

While admitting particular parameters and priorities for Roman Catholic preachers, this volume was intentionally envisioned as a handbook for "catholic" preaching in the broadest and most universal sense of that term. Cosponsored by the Catholic Academy of Liturgy, the Catholic Association of Teachers of Homiletics, and the Federation of Diocesan Liturgical Commissions, it covers the role of the Scriptures in preaching, the challenges of preaching in a digital age, sermonizing in an interfaith context, and the need for a liberative and prophetic word cut across denominations and even some faith traditions. Intended to aid those who teach or direct the preaching arts, the design and writing style of this book are particularly calibrated to graduate students in ministerial studies. Every article is a self-contained overview of a particular historical period, genre of preaching, homiletic theory, or contemporary issue. This more encyclopedic approach-devoid of footnotes, yet supported by pertinent bibliography-provides a sufficiently rich yet thoroughly accessible gateway to major facets of the preaching arts at this stage of the twenty-first century.

Polarization in the US Catholic Church
Edited by Mary Ellen Konieczny, Charles C. Camosy, and Tricia C. Bruce

It is no secret: the body of Christ in the United States is broken. While universality-and unity amid diversity—is a fundamental characteristic of Roman Catholicism, all-too-familiar issues related to gender, sexuality, race, and authority have rent the church. Healthy debates, characteristic of a living tradition, suffer instead from an absence of genuine engagement and dialogue. But there is still much that binds American Catholics. In naming the wounds and exploring their social and religious underpinnings, Polarization in the US Catholic Church underscores how shared beliefs and aspirations can heal deep fissures and the hurts they have caused. Cutting across disciplinary and political lines, this volume brings essential commentary in the direction of reclaimed universality among American Catholics.

In this new book in the Collegeville Ministry series, Jeffrey Kaster explores leadership for youth ministry, Christian discipleship, conversion, the theological foundations for youth ministry, the importance of community and belonging, and vocational discernment. Kaster looks at the practice of vocational discernment and how it encourages youth ministry to continually help young people discern their gifts, connect them in service to meet the world’s deep needs, and foster Christian discipleship. Between the Ambo and the Altar:
Biblical Preaching and the Roman Missal, Year A
Guerric DeBona, OSB

Each Sunday’s resources are presented in three sections: exploring the Scripture, connecting the Lectionary with the liturgy, and a homiletic strategy. DeBona takes the preacher through a meditation on the language of the Missal, suggests parallels to the Sunday Lectionary, and gives practical homiletic strategies using core themes and images. It is hoped that the commentary advances a framework for homily preparation so that preachers might “savor the deep meaning of the Word of God which unfolds each year in the liturgy” (Benedict XVI, Verbum Domini 52).

The first section of the *Rite of Christian Initiation of Adults: Ritual Edition*, marking the steps of the spiritual journey into the full communion of the Catholic Church, offers the procedures and periods that make up the full rite. The second section provides the necessary ritual for celebrating the rite in other forms. Three appendices supply additional combined rites and one optional parish celebration; acclamations, hymns, and songs; and national statutes for catechumens. Praying in the presence of the Blessed Sacrament outside of Mass has been a part of Catholic tradition for centuries. Although participation in the Eucharist at Mass is the “source and summit of the Christian life” (Lumen Gentium, 11) praying before the Eucharist after Mass continues the grace received at Mass and leads us into fuller participation at the Eucharistic table. There are many ways to pray in the presence of the Blessed Sacrament and the Church provides particular guidelines for these opportunities for prayer. In this resource, John Thomas Lane, SSS, traces the historical developments of these practices from the early church to the post-Conciliar reform. Lane walks through the various rituals, providing a theological context for best parish practices. (LTP)
