

# Faith*FULL* Food Drive 2026

## Point Person Checklist

- Familiarize yourself with this packet and brief pastor/pastoral leaders on the food drive.
- Invite liturgy/school announcement planners to include announcements (samples in this packet) about the drive during the weeks beforehand.
- Publish food drive information in the bulletin and post it in the parish/school so participants know the details.
- Contact ministry/club leaders and invite them to participate. Use the “Top 8 Simple Steps” sheet in this packet for inspiration.
- Decide, in consultation with parish/school leaders, whether you would like to collect food before the day of the drive, and, if so, how you’d like to store it.
- Solicit volunteers to help deliver the food to the food pantry or drive it to a local food pantry/partner.
- On March 22nd, coordinate drop-off and drivers. (Tip: have drivers’ cars parked in front of the church with trunks open, signaling to parishioners where drop-off points are. This helps ease packing time/stress.)
- **Count bags/boxes and take pictures! There is no need to weigh food this year!**

Send photos to the email below:
