JAMES LANGLEY

Life Drawing Methods & Materials

OCTOBER 22–24, 2026 | \$795*

15 N. CALIFORNIA AVE | ATLANTIC CITY, NJ 08401

Join **JAMES LANGLEY** for a unique drawing workshop focused on sharpening your observational skills, no matter your experience. Working directly from partially draped models, you'll learn simple methods, media, and practices that are historically essential to figurative art. A comprehensive and practical method will be introduced to establish compositional balance, rhythm, proportion, and anatomical structure. James will demonstrate the versatile "Trois Crayons" technique to achieve the tonal qualities of painting in your drawings. Limited to sixteen artists.

* Overnight accommodations at CAPPELLA STUDIO are included for up to 12 participants.
