

DivorceCare Begins This Fall at St Vincent DePaul Parish in Mays Landing

If you are a separated or divorced Catholic, you don't have to walk this journey alone. DivorceCare is a welcoming community where adults can find understanding, encouragement, and hope alongside others who are navigating a similar life transition.

Beginning **Thursday, September 10**, we will gather each week from **6:45–8:00 p.m** for a **13-week guided program** continuing through **December 17**. Together, we will offer one another support, share practical tools for healing, and grow in faith within a caring and confidential environment.

Our hope is that this ministry will provide a place of compassion, connection, and encouragement while helping separated and divorced Catholics remain rooted in the life of the Church during this challenging season. Wherever you are on your journey, you are welcome here. **To register, or if you have questions, contact Cathy Conlee at cathyconlee@gmail.com.**
