Parish Outreach Opportunities

VITALity Catholic Healthcare Services is dedicated to enhancing the quality of life and upholding the dignity of older adults, persons with disabilities, and their families throughout the Diocese of Camden.

Do you feel called to serve others in your parish and community? VITALity provides the training, guidance and support to help you begin one or more of these ministries:

Parish Nursing Ministry – Health professionals who play a vital role in empowering parish communities to take charge of their physical, mental, emotional, and spiritual health.

Mercy Teams - Rooted in the Corporal Works of Mercy, volunteers offer practical, compassionate in-home assistance for the elderly and those undergoing medical treatment.

Stephen Ministry – Equips lay people to provide one-to-one, Christ-centered care for those in need of emotional, spiritual and/or relational support.

Senior Social Day Centers – Offers seniors opportunities to gather weekly encouraging healthy living, friendships, spiritual enrichment, and fun.

Mass of Welcome and Inclusion – VITALity's Ministry with the Deaf and Persons with Disabilities works with clergy, families, and other partners to help foster welcoming and inclusive parish communities for people who are Deaf and persons with disabilities.

How is God calling you to serve?
